Learn the Facts. Know the Rules. Play in College.

Scholarship Facts

- 3% of high school student-athletes receive a scholarship
- Less than 1% receive a 4-year Division I scholarship
- 26% of students who enter college on an athletic scholarship as a freshman are no longer on scholarship entering their sophomore year
- 80% of scholarship/financial aid opportunities are NOT on the Division I level

These scholarship facts are a small portion of the vast information shared in our one hour webinar for high school student-athletes and their parents. To learn more about Scholarship Myths and Facts, the NCAA and NAIA Eligibility Centers, NCAA Core Course Requirements, National Letter of Intent, Finding the Right School, and much more, **watch a recorded webinar today at www.FreeRecruitingWebinar.org**.
